To our European Partners.

I would like to inform you that the Hungarian Demographic Research Institute (HDRI) **is neither a public interest trust established on the basis of the Hungarian Act IX of 2021, nor an entity maintained by such a public interest trust.** Thus **HDRI is not affected by this decision** and can continue to apply for and receive funding as a beneficiary.

Please continue to consider cooperation with our Institute in European projects.

Kind regards,

Dr. Zsuzsanna Makay
